PUERTO RICO HURRICANE RELIEF

Employees of Meier Supply Company step up

Conklin, NY, December 24, 2017: The co-owners of Meier Supply decided to make a difference this holiday season by helping the residents of Puerto Rico recover from the devastating hurricane. Each of the 16 branches were assigned specific items to purchase. The Distribution Center in Conklin organized the much needed products, and then delivered them to our local armory. They were to be delivered at the end of the month.

Meier Supply Company is a wholesale distributor of HVAC/Refrigeration products with more than 160 employees throughout New York and Pennsylvania. The company is an ESOP (Employee Stock Ownership Plan) and is 100% employee owned. For four generations the slogan, "Customer Satisfaction Guaranteed" has been the foundation of the company. Their corporate offices and distribution center are located at 275 Broome Corporate Parkway, Conklin, NY. This year marks the company celebrating 61 years in the HVAC industry.
