MEIER SUPPLY ANNOUNCES 2022 AWARD WINNERS AT THE 31ST ANNUAL FRANK M MEIER GOLF TOURNAMENT

Gary Weber and John Bycina from Belimo and Alan Byers from Emerson receive the top awards.

Conklin, NY October 7, 2022: The golf tournament marked the occasion for the announcement of Meier Supply Company's two annual industry award winners-Vendor of the Year and Manufacturer Representative of the Year. Over 130 of our best customers, top vendors, and valued employees participated. In addition to being a day of enjoyment and recognition, the tournament raised \$3,000 in charitable contributions to benefit StacheStrong. StacheStrong is a non-profit devoted to raising funds and awareness for brain cancer research. Defeating brain cancer and improving the quality of patients' lives is their daily focus.

"We were excited to host our very best customers and manufacturer's representatives at our golf tournament," said Michael Meier, President and CEO of Meier Supply Co. "It's been a year like no other in the HVAC/R industry, and we were happy to show our appreciation. And being able to make a donation to an organization like Stache Strong caps off an amazing event for us."

The 2022 Vendor of the Year award was presented to Gary Weber and John Bycina of Belimo. Belimo is the global market leader in developing, producing, and selling field devices for the energy-efficient control of heating, ventilation, and air-conditioning systems. Their core business focuses on damper actuators, control valves, sensors, and meters.

The 2022 Rep of the Year award was given to Alan Byers of Emerson. Alan has been a strong supporter and partner to Meier Supply and a friend. He set up individual meetings with branches to discuss Copeland and Emerson Electronic CPC to put Meier Supply in a position for growth. Alan has provided data that enhanced our footprint across New York and Pennsylvania branches.
