

PHANTOM[®]

“EZ” ACCESSORIES

“EZ Loop” Low Loss Header

The factory-designed “EZ Loop” Low Loss Header is a piping solution that helps contractors to complete the job with speed and accuracy, saving time and money.

“EZ” Combi-Kit

The “EZ” Combi-Kit includes a mixing valve, plate heat exchanger and the “EZ Loop” Low Loss Header, providing a simple way to add domestic hot water capabilities to the Phantom[®] 150 and 180.

“EZ” Base

The “EZ” Base is the final touch for a clean and attractive installation. It includes adjustable feet and works great with the “EZ Loop” Low Loss Header and the “EZ” Combi-Kit.

“EZ” ACCESSORIES FOR THE PHANTOM®

“EZ Loop” Low Loss Header

For the ultimate in quick, clean and affordable installations, the “EZ Loop” Low Loss Header is ready for action with connections for expansion tank, relief valve, temperature/pressure gauge, drain valve and air separator. This ready-made primary/secondary piping solution allows contractors to complete all near-boiler loop plumbing connections with speed and accuracy, saving time and money while optimizing flow for perfect system performance. The “EZ Loop” is made to exacting specifications and fits easily with the entire line of “EZ” Accessories.

ITEM #	USE WITH PHANTOM MODEL	SYSTEM (Copper)	CONNECTIONS (NPT)					SHIPPING WEIGHT
			AIR VENT	T & P GAUGE	FILL EXPANSION TANK	RELIEF VALVE	DRAIN VALVE	
430150	80/100/120	1-1/4"	1/8"	1/4"	1/2"	3/4"	3/4"	5 lbs.
430151	150/180	1-1/4"	1/8"	1/4"	1/2"	3/4"	3/4"	5 lbs.

“EZ” Combi-Kit

Add domestic hot water capabilities directly to the Phantom® 150 and 180 with one easy step, precisely matching to the existing boiler connections. The kit includes mixing valve, plate heat exchanger and the “EZ-Loop” Low Loss Header.

MODEL	INPUT	DHW RATE (GPM)	
		70° F Rise	90° F Rise
PHANTOM-150	150	3.7	3.0
PHANTOM-180	180	4.4	3.5

ITEM #	SYSTEM CONNECTION (Copper)	DIMENSIONS			SHIPPING WEIGHT
		WIDTH	HEIGHT	DEPTH	
430751	1-1/4"	16-5/8"	12-1/2"	21"	30 lbs.

“EZ” Base

When a wall installation does not work, the Phantom® “EZ” Base is the perfect accessory for a clean and attractive installation. The “EZ” Base pedestal includes adjustable feet for uneven floors and works great with the “EZ-Loop” Low Loss Header or Phantom® “EZ” Combi-Kit.
